

Department of Administrative Services
City of Frisco, Texas

Memorandum

To: Honorable Mayor Maso and City Council Members

Thru: George Purefoy, City Manager
Nell Lange, Assistant City Manager

From: Tom Johnston, Director of Administrative Services

Date: April 12, 2011

Subject: Consider and Act Upon Approval of Purchase Order to Flair Data Systems for the Purchase of Network Hardware and Implementation Services related to the Project to Segregate Library Public Access Computers and Guest Wireless onto a Dedicated Internet Connection

Action Requested: City Council approval of purchase order to Flair Data Systems for the purchase of network hardware and implementation services related to the project to segregate Library public access computers and guest wireless onto a dedicated internet connection, through the State of Texas Department of Information Resources (DIR) contract, in the amount of \$33,152.

Background Information: The City of Frisco has an Interlocal Agreement with the State of Texas Department of Information Resources (DIR) for the purpose of purchasing selected items. The City IT Department is requesting the purchase of network hardware and implementation services related to the project to segregate Library public access computers and guest wireless onto a dedicated internet connection. This purchase will allow for needed separation of public and City internet connections and additional band width for enhanced performance and security.

Board/ Citizen Input: N/A

Alternatives: City Council could choose not to approve the purchase at this time.

Financial Considerations: Funding is available through Support Services operational budget as a result of cost savings from the award of RFP 1112-020 for Telecommunications Carrier Services.

Legal Review: N/A

Supporting Documents: Department memo, Flair Data Systems quote and DIR contract.
